AMIRTHA E - RESUME

AI Engineer & Full-Stack Developer

Email: amrthes24@gmail.com | GitHub: github.com/Amrthes | LinkedIn: linkedin.com/in/amrthes

EDUCATION

B.E. Computer Science and Engineering | Bannari Amman Institute of Technology, Erode

Period: Sep 2024 - Present | CGPA: 8.27 / 10

INDUSTRY EXPERIENCE

Software Engineer Intern | Infosys Springboard [Remote] | Jul 2026 - Aug 2026

- Engineered AI literacy platform with Next.js, Express, Socket.io, and local Ollama LLMs.
- Built voice pronunciation analysis, real-time analytics, and personalized curriculum modules.

Backend Engineer Intern | QiBr Technologies [Hybrid] | Jul 2026 - Sep 2026

- Developed AI interior design backend services using FastAPI, PostgreSQL, and Ollama.
- Orchestrated Llama 3.2 models and vector embeddings in a Dockerized multi-service architecture.

HONORS & HACKATHONS

- IEEE YESIST12 Finalist [Malaysia International]
- 2nd Runner-Up, LudoHack 2025 [100+ competing engineering teams]
- GuideWire Hackathon, Diamond Tier [Parametric micro-insurance platform]
- NeuroHack 2026 Finalist [EEG emotion analysis with SVM RBF kernel optimization]
- C-DAC Kernal Hackathon, Top 20 Finalist across India

TECHNICAL SKILLS

- Languages: Python, Java, JavaScript, C, SQL [Postgres/pgvector], MySQL
- Frameworks & Tools: Next.js, Node.js, FastAPI, Express, React Native, Tailwind CSS, Git
- ML & AI: PyTorch, TensorFlow, Scikit-learn, OpenCV, YOLOv8, ByteTrack, BERT, LLMs, VLMs

LANGUAGES

Tamil [Fluent], English [Professional]
